

MAYOR AND COUNCIL AGENDA

NO. 10

DEPT.: Community Planning and Development Services / DATE PREPARED: 7/18/05
STAFF CONTACT: Cas Chasten, Planner III FOR MEETING OF: 8/1/05

SUBJECT: Annexation Petition ANX2005-00137, Steven A. & Tracy L. Clark. Petition for annexation of 1.06 acres of land known as 9101 Scott Drive, legally described as Lot 7, Block "A," Potomac High Lands.

RECOMMENDATION: Hold the Public Hearing and hold the public record open until 5 p.m. on August 7, 2005.

DISCUSSION: The petitioners request annexation of the referenced property, consisting of a single parcel of land approximately 1.06 acres in size, into the City of Rockville. The parcel is currently improved with a single family detached dwelling. The property is currently served by an on-site private well and septic system. Based on information provided by the petitioners, the septic system serving the residence has failed. Upon annexation, the petitioners plan to eliminate both the private well and septic system and connect to City of Rockville water and sewer services.

The property is currently zoned for Montgomery County's R-200 (Residential, One Family) land usage. The petitioners request that upon annexation the subject property be classified to the R-150 (Medium Density Residential) zone in the City of Rockville. Staff recommends the property be classified to the R-E (Residential Estate) zone, which has a minimum lot size requirement of a minimum of 40,000 square feet, thus comparable to the size of the subject property and consistent with the Comprehensive Master Plan Land Use Map designation of Low Density Detached Residential.

The subject petition has been submitted in accordance with provisions of Article 23A of the Annotated Code of Maryland, which specifies procedures for annexation to a municipal corporation. This law requires the Mayor and Council to introduce a resolution to propose annexation promptly upon being petitioned to do so. In accordance with said provision, the Mayor and Council introduced a resolution to enlarge the corporate boundaries of the City to include the subject property, at its meeting on June 13, 2005. At that meeting, the Mayor and Council also adopted a resolution to provide for a public hearing in connection with the annexation of the subject property.

Boards and Commissions Review: Section 25-99 of the City of Rockville Zoning & Planning Ordinance requires the Planning Commission also to hold a public hearing on the request, so that interested persons who wish to speak and/or submit written comments into the official record have an opportunity to do so. The Planning Commission will hold its public hearing on July 27, 2005. After hearing and considering the information and testimony which will be provided at the Planning Commission's public hearing on this matter, the Commission will make a recommendation on the request, which will be forwarded separately to the Mayor and Council for its consideration.

Next Steps: The Mayor and Council, at its September 12, 2005 meeting, would discuss the request and instruct staff regarding the granting of the annexation petition. If the Mayor and Council approves the annexation petition at its meeting on September 26, 2005, they would adopt the resolution to enlarge the corporate boundaries of the City and introduce the Ordinance amending the Zoning Map. At its next regularly scheduled meeting in October 2005, the Mayor and Council would officially adopt the ordinance amending the Zoning Map.

OF THE CITY OF ROCKVILLE, MARYLAND**

Annexation No.

Annexation-00137

PETITION FOR ANNEXATION

The undersigned property owner "Petitioner" hereby petitions the Mayor and Council of the City of Rockville pursuant to Section 19, Article 23 of the Annotated Code of Maryland to annex property into the corporate boundaries of the City of Rockville. In support of this request the Petitioner states as follows:

1. The property which is the subject of this annexation petition consists of 1.06 acres of improved land commonly known as 9101 Scott Drive, and legally described as Lot 7, Block "A", Potomac Highlands, recorded amongst the Land Records of Montgomery County at Plat Book 41 at Plat 2952 (Exhibit C), and more particularly described in the Metes and Bounds description (Exhibit A) attached for the Subject Property.
2. The Subject Property is contiguous to and adjoining the existing corporate limits of the City of Rockville.
3. Annexation of the Subject Property will not create any unincorporated area which is bounded on all sides by: i) real property presently within the corporate limits of the City of Rockville, or, ii) real property proposed to be within the City of Rockville, or, iii) any combination of incorporated properties, and proposed to be incorporated properties within the City of Rockville.
4. The Subject Property to be annexed into the City is owned by Steven A. and Tracy L. Clark, both of which are registered voters in county elections.
5. The property is served by a private on site well and septic system. The septic system serving the existing residence has failed (See Exhibit D). The applicant intends to eliminate the private well and septic system and connect to the City water and sewer service.

RECEIVED
CITY CLERK'S OFFICE

2015 JUN 25 AM 9:58

6. The Subject Property is within the urban growth boundary of the City of Rockville, and annexation of the Subject Property is within the urban growth boundary of the City of Rockville, and annexation of the Subject Property will provide a logical corporate boundary for the City of Rockville.

7. The Subject Property is currently classified in the R-200 (Residential, One-Family) zone in Montgomery County, which zoning classification is consistent with the current and duly adopted Master Plan. Petitioner requests that the Subject Property be classified in the R-150 zone in the City of Rockville which will permit a land use of a single family detached dwelling which is substantially similar to the use permitted in Montgomery County's R-200.

WHEREFORE, the Petitioner respectfully requests that the Mayor and the Council of the City of Rockville initiate all steps necessary for final enactment of a resolution annexing the Subject Property into the corporate boundaries of the City of Rockville.

Rockville, MD 20850-4166
ATTN: Mr. Jay Beatty
RE: 9101 Scott Dr. Rockville, MD 20850

Dear Mr. Beatty,

On March 30, 2004 and December 8, 2004, I went to the above referenced property to pump out the septic tank. The level of effluent was above normal in the septic tank. There is an extensive amount of wastewater seeping back into the septic tank from the septic system. It is my opinion that the septic system has failed. Due to the health risks involved, I highly recommend immediate action take place on connecting this residence to city sewer if available.

I have notified the homeowner that it is their responsibility to contact Montgomery County Permitting, Well & Septic division at 240-777-6320, to confirm this request.

If you have any questions, please call my office.

Sincerely,

A handwritten signature in black ink, appearing to read "Vernon D. King III", with a stylized flourish at the end.

CITY OF ROCKVILLE PLANNING DIVISION
PRELIMINARY REPORT

ATTACHMENT 3

June 28, 2004

SUBJECT:

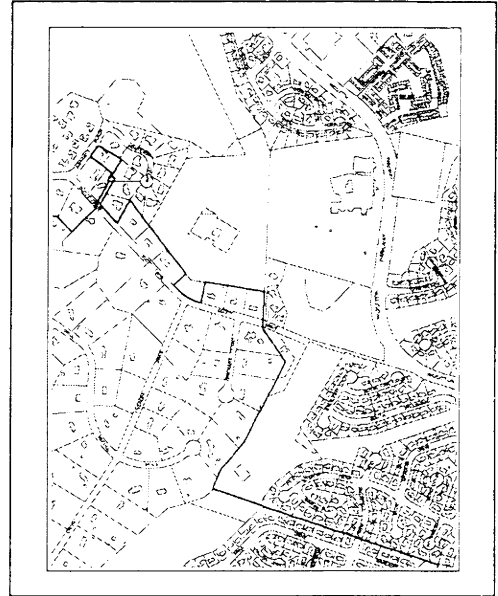

Annexation Petition ANX2005-00137

Petitioner: Steven & Tracy L. Clark
9101 Scott Drive
Rockville, Maryland 20850

Property Location: 9101 Scott Drive

Planning Commission Review Date: July 27, 2005

Mayor and Council Public Hearing Date: August 1, 2005

REQUEST:

The petitioners request annexation into the City of Rockville, property consisting of a single parcel of land containing 1.06 acres, located on Scott Drive in the Potomac High Lands subdivision. The property is presently improved with a single detached dwelling. The petitioners request the Mayor and Council zone the parcel for R-150 (Medium Density Residential) land usage, upon annexation from Montgomery County into the City of Rockville. Staff however would recommend the property be placed in the City's R-E (Residential Estate) zone, which has a minimum lot size requirement of 40,000 square feet, hence more comparable to the actual size of the subject site.

PREFACE:

The subject petition has been submitted in accordance with provisions of Article 23A of the Annotated Code of Maryland, which specifies procedures for annexation to a municipal corporation. The law requires the Mayor and Council to introduce a resolution to propose annexation promptly upon being petitioned to do so. The Mayor and Council are also required to conduct a public hearing simultaneously for adoption of a new zoning map of the affected area.

Prior to the Mayor and Council's public hearing, the Planning Commission is required to study the subject area and transmit to the Mayor and Council its recommendation as to the appropriate zoning of the property. The Rockville Zoning and Planning Ordinance requires the Planning Commission to conduct a public hearing in conjunction with recommending new zoning.

ANALYSIS:

The Property - The subject property is approximately 1.06 acres in size, fairly rectangular in shape, with comparable dimensions to other residential lots surrounding it. The property has vehicular access onto Scott Drive, improved with a single family detached dwelling, one story (with a basement) in height, and of masonry and frame construction. The property is currently zoned for Montgomery County's R-200 (Residential, One Family) land usage (minimum lot size of 20,000 square feet).

Aerial View of 9101 Scott Drive

Existing Land Use & Zoning in the Area – The subject property abuts land within the City of Rockville corporate limits to the north and east, which are zoned for R-E (Residential Estates) and R-150 (Medium Density) land usage respectively. The subject site is located on the north side of Scott Drive, northeast of Carriage Court. The applicants' property, is bounded on the north by Robert Frost Elementary School, northeast by Thomas E. Wootton High School, east by single-family detached dwellings, and south and west primarily by single-family detached dwellings located outside of the corporate limits of the City of Rockville. Based on available information the subject property and the neighboring residential properties to the west are not served by sewer but have access to public water lines located along/within Scott Drive. The subject property is currently served by a private well and septic system.

Public Services and Facilities – The subject property is not located within the Washington Suburban Sanitary District, thus water and sewer services cannot be provided from the Washington Suburban Sanitary Commission (WSSC). While City of Rockville public water

service is available along the site's Scott Drive frontage, sewer service is available approximately 700 ± east of the subject site, via sewer service lines that traverse Scott Drive. Upon annexation, the subject property would then be allowed to access said City water and sewer services. Any expense incurred in providing water and sewer services to the subject site shall be the responsibility of the property owners.

Montgomery County provides no services to the subject property that would have to be compensated if the property is annexed. There are no public facilities currently located on the property. Since the existing single-family property is the only property to be annexed under the subject request, it is extremely unlikely that neighborhood school capacities would be impacted by the annexation. City services such as police protection will be provided through general tax revenue. Any public improvements necessitated by future development such as storm drain or storm water management facilities will be the responsibility of the property owners, which would be constructed and installed under established permit and bond procedures.

Vehicular access to the site will continue to be from Scott Drive. A traffic study or statement is not required for the existing single family detached dwelling use, since the number of peak hour trips generated by a single family home are well below the threshold for requiring such analysis.

The Rockville Master Plan Regarding Annexation – The subject property is included in the City's Urban Growth Areas" as established in the approved and adopted 2002 Citywide Master Plan of the City of Rockville. The Plan further indicates that the area should be designated for single family detached residential use.

Montgomery County Master Plan – The Approved & Adopted 2002 Potomac Subregion Master Plan calls for single-family residential zoning and development of the subject property. As noted, the property is currently zoned for the County's R-200 (Residential, One Family) land usage classification. The Plan shows that the majority of surrounding County properties, within the site area zoned for RE-1 (one dwelling unit per acre) land usage.

Annexation Recommendation – Since the subject site lies within the Urban Growth Area of the City Rockville and is contiguous to the City of Rockville, approval of the annexation is recommended. Annexation of the property will assist the City's goal of promoting annexation for strategically situated properties near the City's boundaries.

The Maryland-National Capital Parks & Planning Commission (M-NCPPC) will review this application in the upcoming weeks. It is anticipated that the consent of the Montgomery County Council will not be required in this case, in that staff has recommended the subject property be placed in the City's R-E (Residential Estate) Zone, which allows comparable land uses allowed in the County's abutting RE-1 zone to the south and southwest.

Zoning Map

Procedure – When land is annexed all zoning upon that land which was imposed by the authority previously having jurisdiction will no longer exist. Hence, the Mayor and Council

must adopt a new zoning map to become effective upon annexation. State law imposes some limitation on the zoning of newly annexed land. The law requires in substance, that the land uses of the City zone must not be substantially different from the use specified in the adopted Montgomery County Master Plan, covering the subject property prior to its annexation. It also precludes the City of Rockville from consideration of rezoning to a zone that allows substantially different land uses for a period of five years without the consent of the County Council.

Montgomery County Zoning Requirements – The Potomac Subregion Master Plan prepared by M-NCPPC is the most current County Plan covering the subject property. The Plan recommends residential land use and designation of the property for single family detached dwelling usage. Single-family detached dwelling uses are permitted in the RE-1 and R-200 Zones, as per the Montgomery County Zoning Ordinance.

The Rockville Plan Regarding Land Use and Zoning – The land use plan of the 2002 Citywide Master Plan recommends single family residential land use for the subject site, which is comparable to the land uses found in the surrounding area.

Zoning Map Recommendation – Staff recommends the subject property be placed in the R-E (Residential Estate) Zone, if the Mayor and Council act to annex the property. The R-E Zone like the County's RE-1 Zone has a minimum lot size of 40,000 square feet. The land use recommendation is consistent with the recommendations found in the Rockville Master Plan and the applicable Montgomery County Plan.

Resolution No. 18-05

RESOLUTION: To provide for public hearing in connection with the annexation of 1.06 acres of land, more or less, of Steven A. and Tracy L. Clark

WHEREAS, a petition has been presented by Steven A. and Tracy L. Clark requesting that a parcel of land totaling 1.06 acres of land, more or less, be annexed by the Mayor and Council, which parcel is located on Scott Drive, and which has a premises address of 9101 Scott Drive, Rockville, Maryland; and

WHEREAS, the signatures on said petition have been verified and it has been ascertained that the persons signing said petition represent at least twenty-five percent (25%) of the persons who reside in the area to be annexed, who are registered voters in county elections in the precinct or precincts in which the territory to be annexed is located, and the owners of twenty-five percent (25%) of the assessed valuation of the real property located in the area to be annexed; and

WHEREAS, pursuant to the provisions of Section 19(c) of Article 23A of the Annotated Code of Maryland, a resolution has been introduced which, if adopted, would annex the additional property referenced herein, which property is more particularly described in said resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF ROCKVILLE, MARYLAND, as follows:

1. That the City Clerk is instructed to cause a public notice of the resolution which has been introduced which, if adopted, would annex property of Steven A. and Tracy L. Clark, to be published not fewer than two times at not less than weekly intervals in a newspaper of general circulation in the City of Rockville and the area to be annexed, said notice to specify that a public hearing will be held on the resolution in the office of the Mayor and Council at 7:00 p.m. or as

soon thereafter as it may be held, on the 1st day of August, 2005, in the Council Chamber, Rockville City Hall, 111 Maryland Avenue, Rockville, Maryland 20850.

2. That the City Clerk is instructed to provide an outline for the extension of services and public facilities into the area proposed to be annexed to the County Executive of Montgomery County, Maryland, the Secretary of the State Department of Planning and the Chairman of the Maryland-National Capital Park and Planning Commission at least thirty days prior to the holding of the scheduled public hearing.

3. That immediately upon the first publication of the public notice of said resolution, the City Clerk is instructed to cause said public notice and the Planning Commission's Preliminary Report to be provided to the County Executive of Montgomery County, Maryland, Secretary of the State Department of Planning and the Chairman of the Maryland-National Capital Park and Planning Commission.

* * * * *

I hereby certify that the foregoing is a true and correct copy of a resolution adopted by the Mayor and Council at its meeting of June 13, 2005.

PETITION FOR ANNEXATION

The undersigned property owner "Petitioner" hereby petitions the Mayor and Council of the City of Rockville pursuant to Section 19, Article 23 of the Annotated Code of Maryland to annex property into the corporate boundaries of the City of Rockville. In support of this request the Petitioner states as follows:

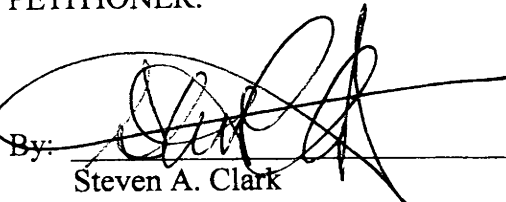

1. The property which is the subject of this annexation petition consists of 1.06 acres of improved land commonly known as 9101 Scott Drive, and legally described as Lot 7, Block "A", Potomac Highlands, recorded amongst the Land Records of Montgomery County at Plat Book 41 at Plat 2952 (Exhibit C), and more particularly described in the Metes and Bounds description (Exhibit A) attached for the Subject Property.
2. The Subject Property is contiguous to and adjoining the existing corporate limits of the City of Rockville.
3. Annexation of the Subject Property will not create any unincorporated area which is bounded on all sides by: i) real property presently within the corporate limits of the City of Rockville, or, ii) real property proposed to be within the City of Rockville, or, iii) any combination of incorporated properties, and proposed to be incorporated properties within the City of Rockville.
4. The Subject Property to be annexed into the City is owned by Steven A. and Tracy L. Clark, both of which are registered voters in county elections.
5. The property is served by a private on site well and septic system. The septic system serving the existing residence has failed (See Exhibit D). The applicant intends to eliminate the private well and septic system and connect to the City water and sewer service.

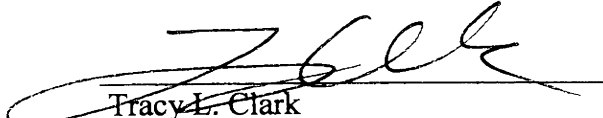

6. The Subject Property is within the urban growth boundary of the City of Rockville, and annexation of the Subject Property is within the urban growth boundary of the City of Rockville, and annexation of the Subject Property will provide a logical corporate boundary for the City of Rockville.

7. The Subject Property is currently classified in the R-200 (Residential, One-Family) zone in Montgomery County, which zoning classification is consistent with the current and duly adopted Master Plan. Petitioner requests that the Subject Property be classified in the R-150 zone in the City of Rockville which will permit a land use of a single family detached dwelling which is substantially similar to the use permitted in Montgomery County's R-200.

WHEREFORE, the Petitioner respectfully requests that the Mayor and the Council of the City of Rockville initiate all steps necessary for final enactment of a resolution annexing the Subject Property into the corporate boundaries of the City of Rockville.

Montgomery County, Maryland
Department of Permitting Services
Well and Septic
255 Rockville Pike
2nd Floor
Rockville, MD 20850-4166
ATTN: Mr. Jay Beatty
RE: 9101 Scott Dr. Rockville, MD 20850

Dear Mr. Beatty,

On March 30, 2004 and December 8, 2004, I went to the above referenced property to pump out the septic tank. The level of effluent was above normal in the septic tank. There is an extensive amount of wastewater seeping back into the septic tank from the septic system. It is my opinion that the septic system has failed. Due to the health risks involved, I highly recommend immediate action take place on connecting this residence to city sewer if available.

I have notified the homeowner that it is their responsibility to contact Montgomery County Permitting, Well & Septic division at 240-777-6320, to confirm this request.

If you have any questions, please call my office.

Sincerely,

Vernon D. King III

Cc: Mr. And Mrs. Steve Clark
